4987 Tonawanda Creek Rd, North Tonawanda NY, 14120

Phone Number: (914) 705-2369

Business/School Email: [paige.lambros@maine.edu](mailto:paige.lambros@maine.edu)

Personal Email: paigelambros3@gmail.com

## EXPERIENCE

**Edwin Sutton/HyWynne Farm**, Farm in Akron, New York- *Farm (horse) hand*

End of March - PRESENT

Address: 56 Buell St, Akron, NY 14001

Phone: (716) 542-9841

“An Arabian horse that was bred, raised and trained on Akron's Hy-Wynne Farm has placed in the top 10 of its class during the annual Arabian National Horse Show at Louisville” (The Buffalo News).

I muck out stalls every Monday and Saturday, work has been effected by COVID-19. I get hands-on horse experience and can attribute this to everything I am learning about horses my sophomore year.

**Walmart Cashier**, Lockport NY

Last summer - PRESENT (when I come home from college---holidays).

Provides good experience for working with people, because I hope to be a large animal veterinarian, and as Dr.Cloutier says who came to Umaine a few years ago as a guest speaker; that you can't be a vet if you don't like people. You have to be able to comfort them.

**AVS 303- Equine Management Cooperative**

(Spring 2020 at Umaine- slightly affected due to COVID-19).

Work experience at the equine operation at the J.F. Witter Teaching and Research Center. Students work in teams to manage the University equine herd, including feeding, nutrition, health management, retraining of donated horses, maintenance and marketing.

**Umad Cows---AVS 347 Dairy Cattle Lab (Fall 2019 at Umaine)**

Through the management of the dairy herd at University of Maine Witter Farm.

Responsibilities will include the feeding, milking, reproduction, health, finances and marketing of the cattle and milk products produced.

- 
- Evaluate herd performance
  - Identify problems,
  - Form strategies and implement management decisions that affect the operation of the dairy.

### **Mangold Ranch Versatility-Horse riding trainer/camp staff/ horse care**

- Near Buffalo NY, over the summer I was volunteering here for three years in high school. I taught campers how to ride, I mucked stalls, cleaned up the barn, and helped exercise and clean up after the horses.
- 48 hours marked ~1 year

### **The Buffalo Zoo/ Volunteer Caretaker**

August 2015, Buffalo NY

- I would clean, feed and care for the Giraffes and their exhibit.
- Helped out for 12 hours.

## **EDUCATION**

### **Current:**

University of Maine Orono

September 9th 2018----expected graduate May 10th 2022

- Pursuing a degree in the College of Natural Sciences, Forestry, and Agriculture and the Honors College
- AVS Major/ a Pre-Vet Concentration
- Current G.P.A, as of Fall Semester is 3.3 GPA
- Finishing up Sophomore Year

### **North Salem Middle/ High School (all 11 years)**

### **Starpoint High School (my senior year)**

Graduated with a somewhere between 3.8-4.0 GPA.

## **AWARDS**

- Sigma Alpha Pi, otherwise known as the National Society of Leadership and Success--- “Sigma Alpha Pi is a leadership honor society (not a fraternity/sorority) available only to select students on campus. Your invitation is a nationally recognized achievement of honorable distinction based on academic accomplishment, leadership potential, or nomination from our campus faculty” (Dana Carver-Bialer-Chapter Advisor [dana.carverbialer@maine.edu](mailto:dana.carverbialer@maine.edu) , The NSLS, Tonya Sapiel- NSLS Secretary of the UMaine Chapter, and Jacquelyn Cook- Chapter President- [jacquelyn.cook@maine.edu](mailto:jacquelyn.cook@maine.edu)
- Flagship Award Scholarship for \$6,600
- Barbara Bodwell’ 45 Honors Scholarship in Spring 2019

---
